

## CARING FOR THE PARK

### CAMP ... BUT LEAVE NO TRACE

Leave no trace of your visit or stay in the National Park. Only camp where allowed and avoid ditch-digging.

### CAMPFIRE ... ONLY IF NECESSARY

A stove is best choice. Otherwise, build your campfire only where allowed. Before leaving, extinguish the campfire completely with water using the "down, stir and feel" method.

### TRASH ... EVERYTHING IN ITS PLACE

Bring a garbage bag and pack out all of your litter.

### FISHING ... ALWAYS WITH A PERMIT

Trout fishing is a sport activity. Play fair. Get your fishing permit and read the regulations carefully.

### PETS

Domestic animals are prohibited. You'd better leave them at home.

### DRIVE SLOW

The speed limit is 25 mi /h (40 km /h). Always drive with lights on. The dust decreases visibility.

All vehicles, including mountain bikes, are restricted to maintained roads only.

Non motorized boats, canoes and kayaks are restricted to Roca (Acigami) Lake.

The entrance fee ticket for camping people is valid for 48 hours, if presented with the corresponding camping permit.

The camping permit does not exempt visitors from entrance fee payment.
